

Name: _____ Date: _____

Full or empty?

Use vocabulary related to volume and capacity

You will need:

- coloured pencils

Full

Empty

Almost full

Almost empty

Half full

Quarter full

What to do

- Ask your child to draw a container in each box so that the label is correct.

Look around your home with your child and find containers that have things in them. Talk with your child about how much is in the container. Use the vocabulary in the table above to describe the containers. Ask your child to draw a picture of some of the containers on the back of this sheet and label each one using the vocabulary above.
