Name: _____ Date: _____

Sort that shape!

• I can sort solid shapes

You will need:
• glue
• scissors

Has flat faces and curved faces

Has only curved faces

Has only flat faces

What to do

• Cut out the shapes from the bottom of the sheet and sort them according to whether their faces are all flat, all curved, or have both curved and flat faces. Glue the pictures into place.

cube   cuboid   sphere

pyramid   cone   cylinder
